911 E is active in Buchanan County. When you dial 9-1-1, your name and street address appears on screen in St. Joseph's Communications Center. If you do not know your new address - call Planning and Zoning at 271 -1429.

This new system can dramatically speed emergency assistance to your house, but only if your house is well identified. The Missouri State Highway Patrol, Buchanan County Sheriff's Department, Buchanan County EMS and your fire department will be assisted by this program.

We recommend two signs, one facing each direction.

The SCBC Firefighters will have house number signs made with your house number. These signs are vertical for attaching to a single pole beside your driveway or to your mailbox post. These signs feature:

- 1.) Heavy duty road sign quality aluminum;
- 2.) White reflective background;
- 3.) Black, 3-inch tall numbers;
- 4.) Pre-drilled mounting holes.

Simply put your house number in the empty boxes and mail this form with your check to:
